

WIRE STRIPPERS

SECURA 2000

JOK-28-H

Suitable for stripping round cable. Made from high quality nylon
Complete with knife hook, adjustable cut depth. Automatically adapts
to round and longitudinal cut. Complete with spare blade 8-28mm
Length: 165mm : 78g. : 1

JOK-20.040 (Super 4)

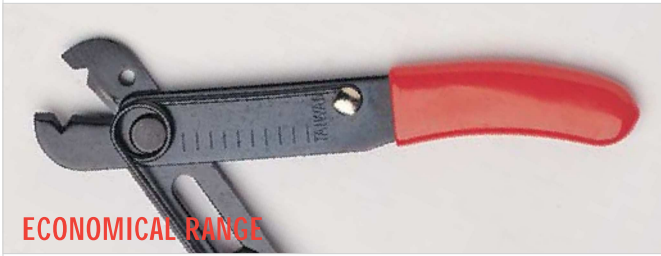

Automatic wire stripper
Built-in safety cutter
Suitable for cables from 0.5-4.0mm²
Length: 187mm : 97g. : 1

ECONOMICAL RANGE

LY-107

Economical stripping and cutting tool
Cable section: AWG 12 to 24 (0.2-3.5) mm²
Length: 130mm ⚖️: 70g. 📦: 1

ECONOMICAL RANGE

LY-108

Economic stripping and cutting tool
With adjustable maximum cable section
Cable section: AWG 10 to 30 (0.2-5.5) mm²
Length: 130mm ⚖️: 74g. 📦: 1

ECONOMICAL RANGE

LY-109

Economical cutting tool
Made from galvanised toughened steel alloy
Rustproof
Length: 135mm ⚖️: 48g. 📦: 1

ECONOMICAL RANGE

LY-25-6

Wire stripper
Suitable for diameters: 8-28mm
Length: 193mm ⚖️: 96g. 📦: 1

ECONOMICAL RANGE

LY-25-9

Wire stripper
Suitable for diameters: 4.5-25mm
Length: 135mm ⚖️: 134g. 📦: 1

ECONOMICAL RANGE

XB-115

Automatic wire stripper. Designed for easy handling
Suitable for cable sections 0.5 – 6 mm²
Automatically adjustable
Length: 170mm ⚖️: 209g. 📦: 1

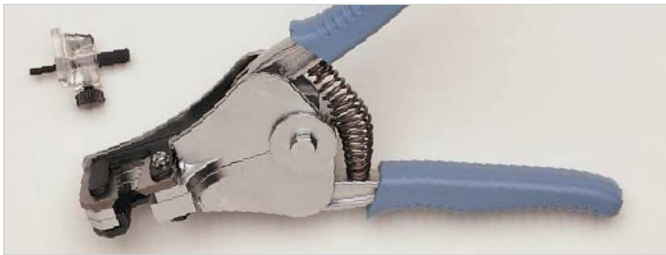

XB-101

Automatic wire stripper. Designed for easy handling and use with replaceable blades. Suitable for cable sections 0.5 – 4.0 mm²
With adjustable maximum cable section
Dimensions: 185x90x19mm ⚖️: 134g. 📦: 1

XB-101-P

Automatic wire stripper. Designed for easy handling and use with replaceable blades. Suitable for cable sections 0.5 – 6.0 mm²
With adjustable maximum cable section
Dimensions: 202x85x19mm ⚖️: 199g. 📦: 1

MES-202

Traditional wire strippers. With precision blades made from specially treated steel. Max cut-off incorporated. 'Anti-Slip' grip. Suitable for the following DIN sections: 0.5, 0.75, 1.0, 1.5, 2.5, 4.0, 6.0mm²
Length: 170mm : 365g. : 1

MEK-190

Special Electrician's Knife
Straight stainless steel cutting edge
Rustproof, wooden handle, synthetic pouch
Length: 191mm : 94g. : 1. Blade length 70mm

MEK-50-P

Special Electrician's Knife. Foldaway stainless steel blade.
Notch for wire stripping, plastic handle.
Rustproof, wooden handle, synthetic pouch
Length: 205mm : 75g. : 1. Blade length 50mm

MEK-60

Special Electrician's Knife
Sickle shape, foldaway stainless steel cutting edge
Wooden handle.
Length: 190mm : 119g. : 1. Blade length 60mm

MEK-70

Special Electrician's Knife
Straight stainless steel cutting edge
Wooden handle.
Length: 200mm : 122g. : 1. Blade length 85mm

MEK-70-M

Special Electrician's Knife
Straight stainless steel cutting edge
Plastic handle.
Length: 200mm : 74g. : 1. Blade length 85mm
