CRIMPING TOOLS FOR INSULATED
AND NON-INSULATED CORD END TERMINALS

XB-9084

Suitable for crimping cord end terminals. Cable sections: 6 - 16mm2
Ratchet tool with controlled calibration and auto-release mech.
Suitable for use with 'Telecrimp' and DIN type terminals
Length: 203mm ⚖: 400g. ▱: 1

ES-3-WF

Ergonomic handles. Suitable for crimping cord end terminals.
Cable sections: 0.25-2.5mm2.
Suitable for use with 'Telecrimp' and DIN type terminals.
Length: 160mm ⚖: 205g. ▱: 1

ADJUSTABLE

DL-6

Adjustable crimper for cord end terminals
Cable sections: 0.08 - 6mm2
High Precision Pocket Tool
Length: 185mm ⚖: 300g. ▱: 1

ES-16-WF

Ergonomic handles
Suitable for crimping cord end terminals
Cable sections: 0.75-16mm2. Suitable for use with 'Telecrimp' and DIN
type terminals. Length: 183mm ⚖: 248g. ▱: 1

ADJUSTABLE

DL-10

Adjustable crimper for cord end terminals
Cable sections: 0.75 - 10mm2
High Precision Pocket Tool
Length: 185mm ⚖: 300g. ▱: 1

XB-9083

Suitable for crimping cord end terminals.
Cable sections: 0.5 - 6mm2. Ratchet tool with controlled calibration and
auto-release mech. Suitable for use with 'Telecrimp' and DIN type termi-
nals Length: 203mm ⚖: 400g. ▱: 1

ADJUSTABLE

DL-16

Adjustable Crimping Tool for cord end terminals
Cable sections: 4- 16mm2
High Precision Pocket Tool
Length: 220mm ⚖: 600g. ▱: 1

4 Tools / Crimping Tools for Insulated and Non-Insulated Cord End Terminals

FRONT ENTRY

XB-7390
Crimping tool for cord end terminals. Cable sections: 0.14 - 6mm2 and DUO- 2 x 0.5 to 2 x 1.5mm2. Ratchet tool with controlled calibration and auto-release mech. Highly Professional Pocket Tool
Length: 210mm : 500g. : 1

KH-95-WF
Crimping tool for cord end terminals. Cable sections: 50.0, 75.0 and 95mm2. Suitable for use with 'Telecrimp' and DIN type terminals Ratchet tool with controlled calibration and auto-release mech.
Length: 325mm : 900g. : 1

KH-35-WF
Crimping tool for cord end terminals. Cable sections: 10.0 -16.0 mm2 25.0 and 35.0mm2. Suitable for use with 'Telecrimp' and DIN type terminals. Ratchet tool with controlled calibration and auto-release mech.
Length: 280mm : 700g. : 1

LY-35-WF
Crimping tool for cord end terminals. Cable sections: 10.0, 16.0, 25.0, 35.0mm2. Suitable for use with 'Telecrimp' and DIN type terminals Ratchet tool with controlled calibration and auto-release mech.
Length: 240mm : 600g. : 1

KH-50-WF
Crimping tool for cord end terminals
Cable sections: 25.0, 35.0 and 50.0mm2
Suitable for use with 'Telecrimp' and DIN type terminals
Length: 280mm : 800g. : 1

LY-50-WF
Crimping tool for cord end terminals. Cable sections: 25.0, 35.0 and 50.0mm2. Suitable for use with 'Telecrimp' and DIN type terminals Ratchet tool with controlled calibration and auto-release mech.
Length: 240mm : 600g. : 1

KH-55-WF
Crimping tool for cord end terminals. Cable sections: 10.0 -16.0 mm2 25.0. 35.0 and 50.0mm2. AWG 8-1/0. Suitable for use with 'Telecrimp' and DIN type terminals. Ratchet tool with controlled calibration and auto-release mech. Length: 330mm : 760g. : 1
